To: CEO, Council of Sydney

Dear Ms Barone,

Thank you for your reply.

Could you please give us some indication of when the new bus shelters at bus stops in the localities of Woolloomooloo, Kings Cross, Potts Point, Rushcutters Bay, East Sydney and Darlinghurst (the latter servicing St Vincent's Hospital) are going to be installed?

Locals are getting agitated, wet and tired due to the absence of bus shelters. It has been one month now since shelters have been removed and no firm dates have so far been given by Council. So we would like to know.

Regards,

Carole Ferrier
