

# SAVE THE 311 BUS ROUTE

**Event:** FIRST PUBLIC MEETING

**Date:** 2PM SATURDAY 30 AUGUST 2008

**Venue:** REG MURPHY HALL, GREENKNOWE AVENUE, POTTS POINT

Council elections are looming. Proposed changes to the 311 Route threaten to take vital services away from elderly residents, young mothers and commuting workers who would prefer to catch public transport rather than clog the city with more cars.

Lord Mayoral and Council candidates are invited to tell us what they propose as a solution, not just what they say or who they have written to or "It's a State issue."

All will be asked the following:

*What do you intend to do to preserve the 311 route as it currently exists?*

*Will you ensure that it does so?  
If so, how? If not, what is your  
alternative proposal?"*

**Come along and help hold  
the politicians and  
bureaucrats to account!**

**Hosted by 2011 Residents Association Inc.**
