Dear Sacha

Poster Poles

I refer to your email about the City of Sydney's proposal for poster poles.

I note your comments that the number of poster poles will not accommodate the amount of illegal postering that currently occurs. The nine poster poles are on trial only and will be evaluated in 15 months.

The impact the poles have on reducing illegal postering will be monitored during the trial period, with the programme amended at the end of trial as needed.

The City's Planning and Assessment Unit has confirmed that the matters raised by 2011RA in its submission were considered during the assessment of the proposal. The location of the poles and their use and maintenance are part of the trial and will also be evaluated at the end of the 15 month period.

If you would like to speak with a Council officer about the poster poles, you can contact Robyn Hobbs, Executive Manager, on 9265 9909 or at rhobbs@cityofsydney.nsw.gov.au.

Yours sincerely

Clover Moore MP
