Dear Mr Crabtree

Fitzroy Gardens Playground Upgrade

I refer to your email regarding the upgrade of the playground in Fitzroy Gardens.

Thank you for your feedback on the concept designs. I have sent your letter to Kristin Gabriel, the City's Community Engagement Coordinator. Kristin will include your submission in the community consultation report for this project. This report will be made public so you will be able to read about the range of people's opinions and comments once it has been compiled.

We will be using comments from the community to create a refined design and we will then prepare a heritage impact statement based on this design. Staff will also prepare a report to Council seeking permission to lodge a development application (DA) in order to upgrade the playground. If Council gives its permission, the community will be consulted again as part of the DA process.

Lawrence Hargrave Reserve, the park above Kings Cross Car Park, is not currently part of this project, but we welcome any comments you would like to make. These will be considered if changes are proposed for the reserve in the future.

Kristin has added your name to her database of people who would like to stay updated on the project. If you would like to speak with Kristin or organise a meeting to discuss the proposed designs, you can contact her on 9265 9333 or at kgabriel@cityofsydney.nsw.gov.au.

Yours sincerely
