Dear Sacha

Late Night Trading DCP

I refer to your letter about Council's consideration of the Late Night Trading DCP and the timing of documentation going onto the City's website.

The City has made many improvements to its consultation processes, and I share your concern that residents and stakeholders have adequate time to consider items coming before Council.

I understand the City's CEO Monica Barone has responded to you directly explaining the timing of the documentation appearing on our website. I remain committed to further enhancing opportunities for residents and community groups to comment on reports coming to Committee and Council. Council's secretariat and Planning staff have been asked to determine any actions that can be taken to improve these processes.

Yours sincerely

A handwritten signature in black ink that reads 'Clover Moore'.
