Dear Sacha

City East Facilities Review

I refer to your email about the consultant's report on the City East Facilities Review.

At the Council meeting on 10 March, Council unanimously endorsed my Lord Mayoral Minute requesting that staff provide a report to Council on strategic proposals for the City's facilities in the City East area.

The report will be considered by Council's Cultural and Community Services Committee on 31 March, and staff have provided the consultant's report as an attachment to their report.

Committees commence at 2pm with the Finance, Properties and Tenders Committee, followed by the Cultural and Community Services Committee. You can view the agenda for Committee meetings on the City's website, www.cityofsydney.nsw.gov.au, by clicking on the 'Council' dropdown menu, then 'Meetings & Committees' and '2008'.

If you would like to speak with a Council officer about the City East Facilities Review, you can contact Ann Hoban, Manager Community Living, on 9265 9333 or at ahoban@cityofsydney.nsw.gov.au.

Yours sincerely

Clover Moore MP
Lord Mayor of Sydney
