Dear Ms Ferrier,

### **Street furniture**

I refer to your further email regarding the removal of bus stop furniture as part of our street furniture renewal program.

We acknowledge that this process continues to impact residents, and we appreciate the community's patience as we complete this important work.

The new bus stop furniture in the eastern localities you mention, is due to be installed over the coming weeks, pending weather and Covid-19 impacts. Unfortunately, initial installation dates were significantly delayed due to the recent heavy and persistent rain and Covid-19 impacts affecting supplies and staffing.

We continue to work closely with our new furniture contractor, QMS, to minimise disruption and replace the removed furniture as quickly as possible.

If you would like to speak with a Council officer about this upgrade, you can contact Glen Hogan, Contract Coordinator – Street Furniture, on 9265 9333 or at [ghogan@cityofsydney.nsw.gov.au](mailto:ghogan@cityofsydney.nsw.gov.au).

Yours sincerely

**Monica Barone**  
Chief Executive Officer
